

**Give your ideas a future –
the time is now!**

With us, you can

- discover and develop your talents
- try out different professions and find new perspectives
- get support in finding training opportunities and jobs
- carry out hands-on and creative projects

Landscaping, Technology, Nature & Environment

In this area, you will learn everything about gardening. On our outdoor grounds with garden beds and a greenhouse, you will practice:

- growing and caring for plants
- cultivating and harvesting fruit and vegetables
- selling products in our farm shop
- warehouse and building technology
- creative projects with wood and other materials

Services & Social Work, Household & Service

Here you will take on tasks such as:

- preparing hot and cold meals using products from our garden
- café service
- planning and organizing catering
- ordering goods and preparing invoices
- trying out new recipes

You will also learn a lot about healthy nutrition and food hygiene.

In addition, we offer:

- individual coaching
- language support
- counseling and support with personal matters
- computer training
- tips on managing money
- one free meal every day

SupPort Garbsen is for young people aged **14 up to under 27**.

You can join at any time. The program lasts **6–12 months**, with **32 hours per week**. Part-time participation is possible by arrangement.

No idea where your path is heading?

We support you on your way into training or employment.

In cooperation with

Jobcenter Region Hannover – Short Profile

Since 2005, Jobcenter Region Hannover has been supporting people in the Hanover region who receive citizen's allowance (Bürgergeld). Around **112,000 people** receive support across the region. Over **1,700 employees** work at **20 locations**. Their task is to advise and support people individually and personally, with the goal of helping employable clients secure their livelihood independently through employment.
